

# History of Boards in the Altera University Program

## Notes on this Chart

- Education boards sold at cost – no mark up. Primary use are in courses and labs.
- Altera boards discounted up to 65%. They are primarily used for research projects.
- Basic FPGA/CPLD boards not recommended for new courses. The UP2 has been reduced in price from \$149 to \$99. It is projected to be out of stock by July 1, 2006
